

THE SOUNDSYSTEM
Label

CONDITIONS FOR SUBMITTING MUSIC

Requirements to be fulfilled for publication:

- submitted tracks must be original and previously unreleased;
- tracks must be submitted in mp3 320kbps or wave/16bit formats only;
- tracks have to be already mixed and mastered by the Author; any additional mixing or mastering cost will be charged properly on the Author;
- tracks must not contain proprietary samples used without permission except for what appointed by “fair use” rules; any responsibility for copyright violations is and will remain on the Author;

for any questions on contract conditions please write us:

legal@thesoundsystem.eu

PUBLICATION CONDITIONS (see the table below)

We offer you different service packages for supporting your music. If you do not specify a precise not basic plan, standard homie conditions will be applied; in the case you wanna organize a different promotion plan please contact us at

orders@thesoundsystem.eu

Noteworthy, reported prices are for any single release.

| | | |
